

The Bear

My Morning Jacket

It's a bad idea, to go down to the pier by yourself after dark.
It's a bad idea, cause they're down on their luck
and they've lost touch with their bleeding hearts. Bad idea, cause I've felt that way and I know I
shouldn't have gone.
The time is near, to come forward with whatever killed your spark. There's still time, for you,
to change your mind or whatever else you do.
There's still time. Ooh...

It's a bad idea, to go down to the pier by yourself after dark.
It's a bad idea, cause they're down on their luck
and they've lost touch with their bleeding hearts. Bad idea, cause I've felt that way and I know I
shouldn't have gone.
The time is near, to come forward with whatever killed your spark.
There's still time, for you,
to change your mind or whatever else you do.
There's still time. Ooh...Forever
