

# No More Drama

Mary J. Blige

Here we go again  
Yeah, that's right  
Here we go again  
Ha Ha, yeah  
This is the remix  
Back together again  
Let's go Mary  
All the love we gave  
The loving that we made  
Then you went away (that's right)  
So I had to pray  
See a brighter day  
Cause silence let us pray  
Now I'm moving on to get away from all this pain  
I feel (I feel)  
Better than I felt before (so much better)  
Cause there's no more drama knocking at my door  
I feel  
Better than I felt before  
Cause there's no more drama in my life no more  
No More  
No More  
No More This is the remix  
I like this, come'on It's looking better now  
A brand new love I found  
I finally figured out  
What love is all about  
And now I'm on my way  
And all I have to say  
Is there'll be no crying and I truly believe that  
I feel (I feel)  
Better than I felt before (so much better)  
Cause there's no more drama knocking at my door  
I feel  
Better than I felt before  
Cause there's no more drama in my life no more  
No More  
No More  
No More It's time  
To realize (people it's time)  
It's up  
To you and I

Love is what you make it  
If you don't give up the fight  
All this really means  
Assuring me  
Believe in all you dream Eh yo Mary  
I don't think they ready for this one Yo it's the D I D again, D to the weezy  
Been in the game twelve years it ain't easy  
Been in dem things got game that so breezy  
Spendin' them things with a chain that's so freezy  
Please believe me, TV need me  
As far as the CD, pump that on GP  
What's the 411 hun, it's PD  
MJB collabo with BB  
Period, no question no comma  
Your hearing is no vest and no armour  
Bring it to cats like Bush to Osama  
Sippin on vu, make moves and no scama  
Word to my mama  
Can't deal with the trama  
That why a nigga stay in the Bahamas  
Laying in pajamas  
Two sexy mamas  
Bodyguards, topguns, two extra lamas  
I don't want no drama I feel (I feel)  
Better than I felt before (so much better)  
Cause there's no more drama knocking at my door  
I feel  
Better than I felt before  
Cause there's no more drama in my life no more  
No More  
No More  
No More I feel (I feel)  
Better than I felt before (so much better)  
Cause there's no more drama knocking at my door  
I feel  
Better than I felt before  
Cause there's no more drama in my life no more  
No More  
No More  
No More No more, no more, no more  
No more drama y'all  
It's so hard  
But I got to say  
No more, I said no more, no more  
No more, no more, no more This is the remix
