

Private World

New York Dolls

(break-down)

Private World

Private World Well I just lost a lover, who done found somebody else

I get cool and lonely, feelin sorry for myself Private World

Private World Oh you call that drivin then see us dream

How could it last, I'm tryin hard not to scream Private World

Private World The joint start shakin, its ready to crumble

The boys are dukin, lookin for a rumble Private World

Private World

One that is movin, at least I'm movin (better shut that door)

Private World,

Private Girl,

Private World

(Better keep it confidential) Private World

Private World Oh, you know I want some money, she replies

When uptown comes downtown, better take her for a ride Private World

Private World How many called, called my name

I'm tryin to explain, that I'm not the same In a Private World

In a Private World

Well I just lost a lover, who done found somebody else

I get cool and lonely, feelin sorry for myself In a Private World

In a Private World One that is movin, at least I'm movin

(shut that door)

Private World,

Private Girl,

Private World

(Better keep it confidential) You got to keep it confidential

You got to keep it confidential

When I says hush

Child dont you cry

I'm beggin you hush

And dry those tears from your eyes

You gotta hush

Dontcha know you gotta hush (Oh, alright)
