

# D.R.E.A.M.

JoJo Siwa

Every day is different  
But my dream is still the same  
Every day I wake up saying  
Let's go win the game Something's gonna happen here  
But I don't know what it is  
Something's gonna happen  
And I think it's really big Cuz' All I ever wanted was to see the world  
High up in the sky, hop in a plane like  
All the stars that I would always see on Tv  
I believe that I would be like them  
See my face on the screen  
See my name in the lights  
Gotta focus on your passion  
If you wanna get it right  
Gotta work real hard  
To have the life versuri.online  
Ever since I was little  
I would D.R.E.A.M. You can do it if you see it  
If you see it you can be it  
You believe it you achieve it  
You just D.R.E.A.M. If you live it, love it, breath it  
Then you really really need it  
You believe it, you achieve it  
You Just D.R.E.A.M. Oh-oooh-oooh-oooh, D.R.E.A.M

If we practice really hard  
Then we can all be number one You gotta work hard  
You gotta play hard
