

# **Ships**

**Barry Manilow**

We walked to the sea  
Just my father and me  
And the dogs played around on the sand  
Winter cold cut the air  
Hangin' still everywhere  
Dressed in gray, did he say hold my hand I said, love's easier when it's far away  
We sat and watched a distant light We're two ships that pass in the night  
We both smile and we say it's alright  
We're still here, it's just that we're out of sight  
Like those ships that pass in the night  
There's a boat on the line  
Where the sea meets the sky  
There's another that rides far behind  
And it seems you and I  
Are like strangers, a wide ways apart  
As we drift on through time He said, it's harder now, we're far away  
We only read you when you write  
We're two ships that pass in the night  
And we smile when we say it's alright  
We're still here, it's just that we're out of sight  
Like those ships that pass in the night  
We're just ships that pass in the night  
And we smile when we say it's alright  
We're still here, it's just that we're out of sight  
Like those ships that pass in the night
