

# Juice

## Yo Gotti

It's another one I got that juice  
New AP  
She got that juice (ju-juice)  
She got that squeeze (squeeze, squeeze, squeeze)  
She got that whip (whip)  
I'm on them skis  
I got that drip (drip)  
I'm overseas (seas)  
D-R-I-P-P-I-N-G  
I got that VVS I-C-E  
Oh, feels like a cooler  
Juice, blame it on my jeweler I got stones on my neck (ooh)  
Blood on me set (ooh)  
Water on my wrist (drip)  
Put glitter on my bitch (ju-juice)  
My ex was a waitress  
So I gave that hoe a tip (ooh)  
My ex fucked a lame  
Now she workin' double shifts (no juice)  
Our money ain't the same  
You a lame, and it clear (ooh)  
I did ten mil in last month, not a year (juice)  
I gave fifty racks in the club to a pimp (ju-juice)  
I blew two mil on my dog for a pill  
I got that juice  
New AP  
She got that juice (ju-juice)  
She got that squeeze (squeeze, squeeze, squeeze)  
She got that whip (whip)  
I'm on them skis  
I got that drip (drip)  
I'm overseas (seas) D-R-I-P-P-I-N-G  
I got that VVS I-C-E  
Ooh, feels like a cooler  
Juice, blame it on my jeweler Aye  
Bright banana poured fresh off the runway  
Monkey-ass niggas, I think y'all all bapes  
If I see you won't speak, I'm on my Cardi B  
Shorty got that night-night, put your ass to sleep  
And my label say i got the juice (juice)  
Hol' up, aye yo, Gotti, who as hot as you?  
You'll avoid talkin' money, know there's too much juice

You may see me with security, but know I'm the one shootin'  
I been a boss all my life, I made a millionaire or two  
And you might see me in a coupe with the disappearing roof  
I had packs, I got plaques, you get texts for the juice  
If you ex, you get sex, I made sex with your boo I got that juice
