

When You Find Me

[Joshua Radin](#)

Something is said, it sits in my head
It's been there too long, it's killing me slow
It's rolling around, it's pushing me down
It's keeping the good part of me closed
Can't you see that when I find you, I'll find me
Oh I need you to know today I'll wait for you always
Oh I need you to know today I'll wait for you always
My only weakness, is knowing your secrets
And holding them close, and hold them tight
I know the way to silently make you
Smile with my eyes, when you're trying to fight
Can't you see that when I find you, I'll find me
Oh I need you to know today I'll wait for you always
Oh I need you to know today I'll wait for you always
Cause when I find you, I'll find me
Can't you see that when I find you I'll find me
Oh I need you to know today I'll wait for you always
Oh I need you to know today I'll wait for you always
Oh I need you to know today I'll wait for you always
When I find you...
When I find you.....I'll find me
