

Indestructible

Disturbed

Another mission
The powers have called me away
Another time to carry the colors again
My motivation An oath I've sworn to defend
To win the honor of coming back home again
No explanation will matter after we begin
Unlock the dark destroyer that's buried within
My true vocation and now my unfortunate friend
You will discover a war you're unable to win
I'll have you know
that I've become INDESTRUCTIBLE
Determination that is incorruptible
From the other side
A terror to behold
Annihilation will be unavoidable
Every broken enemy will know
That their opponent had to be invincible
Take a last look around while you're alive
I'm an indestructible master of war Another reason
Another cause for me to fight Another fuse uncovered now for me to light
My dedication to all that I've sworn to protect
I carry out my orders without a regret
My declaration embedded deep under the skin
A permanent reminder of how it began
No hesitation when I am commanded to strike
You need to know that you're in for the fight of your life
You will be shown how I've become
INDESTRUCTIBLE
Determination that is incorruptible
From the other side, a terror to behold
Annihilation will be unavoidable
Every broken enemy will know
That their opponent had to be invincible Take a last look around while you're alive
I'm an indestructible master of war
I'm indestructible
Determination that is incorruptible From the other side, a terror to behold
Annihilation will be unavoidable
Every broken enemy will know
That their opponent had to be invincible
Take a last look around while you're alive
I am indestructible (Indestructible)
Indestructible

Determination that is incorruptible
From the other side, a terror to behold
Annihilation will be unavoidable
Every broken enemy will know
That their opponent had to be invincible
Take a last look around while you're alive
I'm an indestructible master of war
