

Cotton Candy & Popsicles

Insane Clown Posse

Go step to them bitches over there
Fuck that, you go step to them bitches
For what? Man, look out y'all Wibble wabble bumble boo
I'm Violent J, nice to meet you

Cherry syrup on ice cream, yum What you say, I buy you some?
What's your name, bitch, where you from?
You know me but don't be scared
Bloody hands are weird, I know Don't front, girl, you like us thugs
Very scary, carnny, scrubs

I think of Shaggy when he tag it
That's all good, I'll hook you up
Send your shit, I'll look you up

Yea, 'cause that's like how it works I can put aside my axe
Give your butt a couple smacks
Once you let me all up in
You're lucky if we'll meet again Fuck you! I don't want a Lemon Ben and Jerry, baby
