

I'm Single

Jake Paul

[Intro]

Caught in my emotions

Oh, shit[Pre-Chorus]

I've been drinkin', floatin'

Caught in my emotions, losin' my mind (my mind)

I've been sinkin', copin'

Left my heart broken, I don't know why

I've been thinkin', hopin'

Can we leave it open? I just need time, but why even try?[Chorus]

I'm single, I'm single

I'm single, I'm single (Jake Paul)

[Verse 1]

All the time (yeah), on my mind (bro)

When I'm workin' out (I don't love you no more), yeah

You on the gram (yeah), goin' ham (yeah)

Say you goin' out (goin' out)

Well that's fine, that's fine, that's fine (woo)

You can go out, you can have a good time (go for it)

But know just at the same time (guess what?)

I can play games too (hahaha)[Pre-Chorus]

I've been drinkin', floatin'

Caught in my emotions, losin' my mind (my mind)

I've been sinkin', copin'

Left my heart broken, I don't know why (I don't know why)

I've been thinkin', hopin'

Can we leave it open? I just need time (I just need time)

I just need time (I just need time), but why even try? (But why even try?)

[Chorus]

I'm single, I'm single

I'm single, I'm single (Alright, I know I got this)[Verse 2]

Said you had enough and you leavin'

Then you wanna call me when you need shit

Tryna grab my heart, playin' defense

Got me drunk, textin' on the weekend

Way too young to be stressin' out

Back with the fellas now

I'm doin' better down

Gettin' cheddar now

Big cheese feta now

I was tryna bring you up but you let me down[Pre-Chorus]

I've been drinkin', floatin'

Caught in my emotions, losin' my mind (my mind do)

I've been sinkin', copin'
Left my heart broken, I don't know why (what's goin' on with this?)
I've been thinkin', hopin'
Can we leave it open? I just need time (I love you but like...)
I just need time (I just need time), but why even try? (I don't even know why I'm tryin' at this
point)[Chorus]
I'm single, I'm single
I'm single (don't hate him, he's single!), I'm single (woo, woo, woo, hahaha)
I'm single (yeah), I'm single
I'm single (you're wastin' time, baby), I'm single (hahaha)[Outro]
Just like time - I'm just tryna figure it out
