

My Destination

Boston

And feelin' the way I do
Wouldn't last a mile without you.
When I'm losin' the way
The things that you say
Take me there -- my destination
My destination
Is by your side
Right by your side. And I -- I've taken so long I know
Never had so far to go.
It's not where you can be.
It's what you can see
That takes you there -- your destination
Your destination
It's here inside
Right here inside.
