## Alice Donut

Pretty you make it look so eaasy  
So pretty you make it look so sexy  
Blood's dripping from the headlines  
In censored lust  
With kinder and gentler  
Offensive thrusts  
Goebbels on the networks  
A warm virile touch  
A massive and decisive  
Sudden sex flush  
Lotte Lenya's cheekbones on a Sunni Muslim nun  
Straddling the carbine of a spewing Gatling gun  
Pierce me in the abdomen strafe my feet and hands  
Fondling a crucifix ruptured in the sand
