

# It's On (feat. DMX)

## DJ Clue

Ugh Dmx  
Clueminati

Is y'all motherfuckers ready for the Ruff Ride  
Grrrrr When I speak I'm understood, my decision is wood  
I see what I'm able to see, (ugh) 'cause my vision is good  
It's like I see through the eyes of a wise old man  
So I chill, knowin I can kill this guy's whole fam  
Sometimes better to be thought dumb and remain silent  
Than to open your mouth and remove all doubt 'cause if it came violent  
See I'm gonna give it to you straight, so you don't ask anymore  
You don't really want what you asking me for  
It's a war (ugh), and nigga, when it's on it's on  
Doin' wrong (what) till I'm gone and I ain't got long  
But while I'm here, (ugh) ya'll niggaz gonna burn  
Peep how I finished money (what) and y'all niggaz gonna learn  
All fucking week you've been talking about that drive-by  
And ain't did nothing but drive by  
Listen shorty I'm telling you this for your own good  
(Uhh) Everybody is the man in they own hood, for real  
Yeah 'cause if it's on it's on  
Bitch niggas keep frontin' then your ass is gone Yeah 'cause if it's on it's on  
Bitch niggas keep frontin' then your ass is gone Yeah 'cause if it's on it's on  
Bitch niggas keep frontin' then your ass is gone Yeah 'cause if it's on it's on  
Bitch niggas keep frontin' then your ass is gone I always keep my enemies the closest (uhh)  
Always make sure I know where the toast is (uhh)  
Always cover my tracks when I creep  
Always get away when I'm done to relax, shit is deep  
I always know the rules of the game before I play  
And always keep enough dough to know I'm good for the day  
I always walk my dogs off the leash and  
Always get my thoughts off the streets and  
Always remember lend a hand then borrow  
And always no matter what plan for tomorrow  
I always pay my respects to the dead  
I always take at least one blunt to the head  
Now always know which bitches is gonna end up getting fucked  
And always know which niggas is gonna end up getting stuck  
I'm always strapped I've always packed  
I've always rapped it's always that  
Always black  
Yeah 'cause if it's on it's on  
Bitch niggas keep frontin' then your ass is gone Yeah 'cause if it's on it's on

Bitch niggas keep frontin' then your ass is gone  
Yeah 'cause if it's on it's on  
Bitch niggas keep frontin' then your ass is gone  
Yeah 'cause if it's on it's on  
Bitch niggas keep frontin' then your ass is gone  
Never try to knock off rock on the block that  
ain't yours

Never take a man's life 'cause you hate yours  
Never become so involved with something that it blinds you  
Never forget where you from someone will remind you  
Never take for granted what's been given as a gift  
And never sleep on a nigga, less that nigga stiff  
Never turn your back on a nigga you don't trust  
Never turn your gat on a nigga and don't bust  
Never expect to get away with the same shit -- more than twice  
Never forget you could get it too for a price  
Never bring it to a nigga, if you scared to die  
Never gonna do it nigga, if you scared to try  
Never gonna be another day it gets dark, nigga
