

# Bill Murray

## Matt Nathanson

I fell asleep  
Had a dream Bill Murray and I were friends  
We drove the world from Boston to Japan  
Blasting old Van Halen  
And one night over drinks Bill started crying  
He said to me, "Kid  
Of all the stupid things I ever did  
You know, I let go when I should have pulled her in"  
And he handed me his cell phone  
When I called, you were on a plane  
Moving back to Portland for the rain  
I won't only love you when you're winning  
Other fools pretend to understand  
Come on, take my hand, we'll go down swinging  
Let me be your man  
Let me be your man  
A hundred days  
We hiked the coast of Galway in the rain  
And Bill said something late one night in Spain  
And it's always just stuck with me  
"You only get one person knows you best  
And it's temporary, everybody else"  
I won't only love you when you're winning  
Other fools pretend to understand  
Come on, take my hand, we'll go down swinging  
Let me be your man  
Let me be your man  
I'm done with sleep  
Imagined things  
'Cause dreams aren't dreams  
'Til you wake up  
So wake up  
Just wake up here with me  
I won't only love you when you're winning  
Other fools pretend to understand  
Come on, take my hand, we'll go down swinging  
Let me be your man  
Let me be your man
