

# You Ain't Got a Hold On Me

[Mark Kozelek](#)

You can roll me if i'm blind  
You can roll me, roll me, roll me  
I'm the easy rolling kind  
But the thing we've faced down hill  
There's something new to see  
You can lose your grip and slip  
But you don't got a hold on me You don't got a hold on me  
You don't got a hold on me  
Why don't you let me be, babe  
Why don't you let me be  
You can take me to your bedroom  
You can take me to your heart  
You can take me up to the hill  
But I won't fall apart  
But don't count on me giving this  
All back to you  
Just because i'm hooked on living  
Don't mean I'm hooked on you  
You ain't got a hold on me, babe  
You don't got a hold on me  
Why don't you let me be, babe  
Why don't you let me be  
Why don't you let me be  
You don't got a hold on me
