

10:1

Rogue Wave

curious talk at the photomat
do you really think you're all that?
with your head down
you're 10 to 1 we don't need to read or rhyme
only breaking down maybe half of the time
what you couldn't fit
you're 10 to 1
for me
for me
what are you offering? (x3)
freeing my mind with your head down
you're 10 to 1 (x6) no I...
no
aw oh aw oooh you're fine
you're 10 to 1
freeing my mind
lay 'em by-nd (?) free your mind
