

# Drunken Lament

## Ludo

Self-loathing is quaint  
You told me, showing restraint  
Now you're gone, and I'm lost  
In the swells, I am tossed  
Bobbing and choaking and losing the fight in the fog  
You said forever  
Tell me why can't you stay? I'd ride in your pocket all day  
But I just don't fit, say the word and I'll change  
I'm throwing a party tonight  
I drink more than a sailor I'm sure  
Pour the rum in my eyes, tell me lies Oh...  
Drunk since Saturday  
Without you, without restraint  
(Ahhh)  
It still stings where you stung  
Water swings in my lungs  
I'm starving for words that would ration my sadness away  
Tell me forever  
Tell me you'll come back to stay I'd ride in your pocket all day  
But I just don't fit, say the word and I'll change  
I'm throwing a party tonight  
I drink more than a sailor I'm sure  
Pour the rum in my eyes, tell me lies  
You were the mermaid for me  
Till one day, you found your feet  
Leaving me  
In the God-awful bottle, a model of heartache and grief  
I'd ride in your pocket all day  
But I just don't fit, say the word and I'll change  
I'm throwing a party tonight  
I drink more than a sailor I'm sure  
Pour the rum in my eyes, tell me lies
