

Leave the City

twenty one pilots

[Verse 1]

I'm tired

Of tending to this fire

I've used up all I've collected

I have singed my hands

It's glowing

Embers barely showing

Proof of life in the shadows

Dancing on my plans[Chorus]

They know that it's almost

They know that it's almost over

They know that it's almost

They know that it's almost over

[Verse 2]

The burning

Is so low it's concerning

'Cause they know that when it goes out

It's a glorious gone

It's only

Time before they show me

Why no one ever comes back

With details from beyond[Chorus]

They know that it's almost

They know that it's almost over

They know that it's almost

They know that it's almost over

They know

They know that it's almost over

They know

They know that it's almost over

They know

They know

They know

[Bridge]

In time, I will leave the city

For now, I will stay alive

In time, I will leave the city

For now, I will stay alive

In time, I will leave the city

For now, I will stay alive

In time, I will leave the city

For now, I will stay alive[Chorus]

They know that it's almost
They know that it's almost over
They know that it's almost
They know that it's almost over
They know
They know[Verse 3]
Last year
I needed change of pace
Couldn't take the pace of change
Moving hastily
But this year
Though I'm far from home
In TRENCH I'm not alone
These faces facing me[Outro]
They know
They know
What I mean
