

# That's Why I'm Here

James Taylor

Person to person  
And man to man  
I'm back in touch  
With my long lost friend Listen to reason  
And understand  
And think of me  
From way back when He said me and Melissa  
Well, we fell out of love  
Ran out of luck  
Seems like lightning struck I've been thinkin' of leavin'  
But I can't raise a buck  
James, I'm wondering  
Could I borrow your truck  
I said that's why I'm here  
(That's why I'm here)  
Got no better reason  
That's why I'm standing before you  
(That's why I'm here)  
That's why I'm here John's gone found dead  
He dies high he's brown bread  
Later said to have  
Drowned in his bed After the laughter  
The wave of the dread  
It hits us like a ton of lead It seems "learn not to burn"  
Means turn on a dime  
Walk on if you're walking  
Even if it's an uphill climb  
Try to remember that  
Working's no crime  
Just don't let 'em take  
And waste your time That's why I'm here  
(That's why I'm here)  
There'll be no more messes tonight  
That's why I'm here  
(That's why I'm here)  
Whoa, that's why I'm here This is an I.O.U.  
I reckon I owe you one now  
Listen Wendy and listen Gloria  
This'll be better tomorrow Oh, fortune and fame's  
Such a curious game  
Perfect strangers  
Can call you by name And pay good money to hear

"Fire And Rain"

Again and again and again Oh, some are like summer  
Coming back every year  
Got your baby, got your blanket  
Got your bucket of beer I break into a grin  
From ear to ear  
And suddenly  
It's perfectly clear That's why I'm here  
(That's why I'm here)  
Singing tonight, tomorrow  
And every day  
That's why standin'  
(That's why I'm here)  
Whoa, that's why I'm here This is the part  
About Kitty and Bim  
He loved her  
And she loved him Wake 'em up, shake 'em up  
The middle of the night  
You got to tell me  
Everything's all right I said that's why I'm here  
(That's why I'm here)  
You got me walkin' and  
Talkin' like a natural man  
That's why I'm here  
(That's why I'm here)  
Whoa, that's why I'm here That's right
