

# I Want You Bad (And That Ain't Good)

[Collin Raye](#)

Baby please don't get to close to me  
'Cause that ring you're wearing says that you're not free  
But if I said I didn't want ya  
Well you know I'd be a liar  
You better run while there's still time  
'Cause I can't stop this fire I want you bad I can't help myself  
But you belong to someone else  
I'd leave you alone  
Darlin' if I could  
But I want you bad and that ain't good Baby please put away those ruby lips  
And those big blue eyes are too hard to resist  
I'm not that kind of man  
Oh and usually I'm strong  
But it's getting hard to tell between  
What's right and what is wrong Chorus  
I want you bad and girl that ain't good  
I want you bad, bad, bad and that ain't good
