

# This Girl

## Kungs & Cookin' On 3 Burners

Money rains from the sky above  
But keep the change cuz I've got enough  
A little time and some tenderness  
You'll never buy my love No other thing that's as precious to  
No other! There's no other  
And a heart that's real and a heart that's true  
Somethin' that you've got to love this girl Woh!  
They'll by them  
Or them over  
They'll by them you  
O-or them over  
They'll by them you  
Or them over  
They'll by them you  
Or them over  
These treasures don't really come for free  
Your paychecks don't mean that much to me  
Just take my hand and hold me tight  
You'll never buy my love  
You buy me this and you buy me that  
To win over  
Win me over  
You got me wrong and that's a fact  
Somethin' that you've got to love this Will you realize when I'm gone  
That I dance to a different song  
Will you realize when I'm gone  
That I dance to a different song  
It's a shame but I've got to go  
Woh!  
They'll by them  
Or them over  
They'll by them you  
O-or them over  
They'll by them you  
Or them over  
They'll by them you  
Or them over
