[Verse 1]

Late in the mid night hour, do you wanna be holdin' me, baby?

Yeah girl

If you gotta think twice about it, then you surely not the one for me, baby

No girl

See my girl

Don't ever let your girlfriend tell you that I am not the man for you, baby

Oh girl

'Cause [?] been the realest company baby and that is not my plan for you, baby

No, baby

No, no [Chorus: K-Ci & Keith Sweat]

If you ever see my girl

Just remember, all you gotta do is to listen to me baby

How many ways do I have to show you, how much I love you?

Yes I do (baby, baby, baby)

And how many ways do I have to say, I'll always be there?

Yes I will

Can't you see

Help me sing

[Verse 2]

You don't never have to worry, no baby

I'm be showing you girl (yeah, yeah, baby)

And you don't ever have to be lonely (no, no)

I ain't lying to you girl

You're my baby and I don't mind telling you girl

No, put your trust in my heart

Let me let it lead you to a place (mhmmm)

Yea girl, ohh, girl

Special place with you and me

We can call it lovers land (yeah, yeah, yeah) [Chorus: K-Ci & Keith Sweat]

If you ever

Jus't remember, all you gotta do is to listen to me, baby

How many ways do I have to show you, how much I love you?  
Yes, I do (baby, baby, baby)  
And how many ways do I have to say, I'll always be there?  
Yes, I will [Outro: Keith Sweat & K-Ci]  
How many ways do I have to show?  
(Let me show how much I love you baby)  
How many ways do I have to prove to you?  
(Let me prove my love to you baby)  
How many ways do I have to say, I'll always be there?  
(I show you I be there, baby)  
I'll be there, baby  
Be there, baby  
Girl, I'll always be there  
Through thick and thin  
Be there through the hard times, girl  
Be there when you need me  
Yes, I will hold you, baby  
I will  
I will
