Nine Inch Nails

Kind of hard (Kind of hard)
Hard to see (Hard to see)
When you crawl (When you crawl)
On your hands and your knees
With the face (With the face)
In the trough (In the trough)
Wait your turn (Wait your turn)
While they finish you off Don't know when it started, (Don't know when)
Don't know how (Don't know how)
Should have found out (Should have found out)
Should have happened by now
Got these lines (Got these lines)
On my face (On my face)
After all this time (After all this time)
And I still haven't found my place
I jump from every rooftop
So high, so far to fall
I feel a million miles away
I don't feel anything at all I wake up (I wake up)
On the floor (On the floor)
Start it up again (Start it up again)
Like it matters anymore
How do we know (How do we know)
If it does (If it does)
Is this really all (I this really all)
That there ever was?
Put the gun (Put the gun)
In my mouth (In my mouth)
Close your eyes (Close your eyes)
Blow my fuckin' brains out
Pretty patterns (Pretty patterns)
On the floor (On the floor)
That's enough for you, (Enough for you)
But I still need more, more, more I jump from every rooftop
So high, so far to fall
I feel a million miles away
I don't feel anything at all (At all) I jump from every rooftop
(Is this really all? Is it?)
So high, so far to fall
I feel a million miles away
(I am)
(I don't feel) I don't feel anything at all I don't

Feel
AnythingI don't
Feel
AnythingI don't
Feel
AnythingI don't
Feel
AnythingI don't
Feel
Anything (A million miles away)I don't
Feel
Anything (A million miles away)I don't
Feel
Anything (A million miles away)I don't
Feel
Anything
