

Fiesta Del Fuego

Black Stone Cherry

We can't pretend there was no intent
To do just what we did
You can't deny
We damn sure tried
To smoke the evidence I think I'm going to need a wake up call
Don't know if I'll remember this at all
1 2 the 3 before I hit the floor
Girl what you got I gotta have some more
Fiesta del fuego is the place that the girls go Hot damn it's hot
They passin' shots
This party ain't gonna stop
They showin' skin
It's sinkin' in
The señorita's playin' to win I think I'm going to need a wake up call
Don't know if I'll remember this at all
1 2 the 3 before I hit the floor
Girl what you got I gotta have some more Fiesta del fuego is the place that the girls go We're
gettin' high while we're ridin' low
I think I'm going to need a wake up call
Don't know if I'll remember this at all
1 2 the 3 before I hit the floor
Girl what you got I gotta have some more
