## **Toilet Tisha**

## **Outkast**

Have you heard the news today? They say a little fourteen year old girl had a baby on the way Too much for her little mind to bare An' that type of news, to her mama, she cannot spareToilet Tisha

Damn, we miss ya

Toilet Tisha

Is the issue

Damn we miss ya

Toilet Tisha

Damn we miss yaDon't go away

Don't go away

Go away from me girl I can help you

Don't go away

Don't you dare leave me

Don't go away

Five thousand, one hundred ten days Is a short period of time, a mere fourteen years

On this precious mother earth

You see Tisha had issues

An' her decision making skills were still in it's early stages

Know what I am talking about

Therefore she could not properly handle a blessing in which She thought to be an obstacle in her path to adulthood

Pause

Just like a brother with a thousand pauses

Should I. Shouldn't I? I can't. I have to

Mama will never see me the same

Daddy and big mama, I know all of them gonna be ashamed of me Are just a few thoughts racing through her cranium

As she sits on top of the pale, cold porcelain seat

In the rear of the house

The unthinkable

Moments away from becoming reality, sadly with no clue

No way of expressing her feeling to her mama

Or anybody else in her life

Tisha now came to the crossroads

An' now she got to choose

**Fatality** 

**Fatality**
