

# Burn This Disco Out

Michael Jackson

There's a steam beat  
And it's comin' after you  
You can take it  
If you only let your feelings through  
So D.J. spin the sounds  
There ain't no way that your gonna  
Let us down  
Gonna dance gonna burn this disco outGroove all night  
Keep the boogie alright  
Get that sound  
Everybody just get on downGot a hot foot  
Better freak across the floor  
Join the party  
And we'll keep you movin', that's for sure  
So D.J. spin the sounds  
There ain't no way that your gonna  
Sit us down  
Gonna dance 'til we burn this disco outGroove all night  
Keep the boogie alright  
Get that sound  
Everybody just get on downOnce you get the beat inside your feet  
There ain't no way to stop you movin' good  
Now the weekend's come it's time for fun  
You got to groove just like you know you shouldPeople now  
Are you ready  
Won't you rock across the room  
Got a feelin'  
That we're gonna raise the roof off soon  
So D.J. spin the sounds  
There ain't no way that your gonna  
Sit us down  
Gonna dance 'til we burn this disco outGroove all night  
Keep the boogie alright  
Get that sound  
Everybody just get on downSo D.J. spin the sounds  
There ain't no way that your gonna  
Sit us down  
Gonna dance 'til we burn this disco outGroove all night  
Keep the boogie alright  
Get that sound  
Everybody just get on downGonna dance, gonna shout  
Gonna burn this disco out

Gonna dance, gonna shout  
Gonna burn this disco out  
Gonna dance, gonna shout  
Gonna burn this disco out(ad-lib to fade)
