

# Lose My Mind

Dean Lewis

i see you walking through the rain  
and i see the water covering your teardrops on your face  
and i know that i broke all your rules  
ooh, now your looking at me and im looking at you like a fool  
but u dont know what it feels like to fall in love with you  
no you dont know what it like when u cant go backcause i only lose my mind of u  
and how am i to win when im bound to lose  
when i aint got u  
no no i aint got u  
so come on inside  
youll catch the cold  
oh darling the storm will pass whn u grow old  
stand next to me
