

# Rain Down Love (feat. Siedah Garrett)

## Freemasons

Same thing, sunshine  
Got change on my mind  
I can't say it's alright  
'Cause I need a cloudburst in my life Thunder-showers  
When love flowers  
Baby, it's alright  
To just get soaking wet tonight No expectation, no demands  
Just know my heart is in your hands  
You got the power in control  
Oh oh oh  
Let it rain down love, heavenly storm  
Just what I'm searching for  
Let it rain down love  
Can't touch the ground  
Baby just let your love rain down... Make it just pour  
Break it, let it storm  
Shake me to my core  
'Cause I need a hurricane for sure No expectations, no demands  
Just know my heart is in your hands  
You got the power in control  
Oh oh oh  
Let it rain down love, heavenly storm  
Just what I'm searching for  
Let it rain down love  
Can't touch the ground  
Baby just let your love rain down...
