

Monster

You Say Party! We Say Die!

Turns up when you're outside
Cuz inside you're in night time
Everywhere is frightening
There's something you are needing to find
The pressure's grassin you down
That ragin' monster pullin you around
It wants to rip our skins apart
Tear out the strings connected to our hearts
Our Hearts, Our Hearts
Evil glander eyelids
Groovey wears us on her mouth
Tremblin when we see her
Run and hide she's coming around to
Tear out the strings
Tear out the string
Tear out the strings
Connected to our hearts
Tear out the strings
Tear out the strings
Tear out the strings
Connected to our hearts
Our hearts
(Tear out the strings)
(Tear out the strings)
(Tear out the strings)
Our Hearts
(Tear out the strings)
(Tear out the strings)
(Tear out the strings)
Ooooo
Ooooo Wa Ooooo
Ooooo Wa Ooooo(x10)
Our Hearts
You wait of yourself
That crowded you in
Till clouds come around,
In hope of a home
Your body grew wider
The moon would slow down
Delusions of dieing,
Make sense in your head
The hair grew in thick
Your tongs reached in
The venom fought hard,
To poison our hearts
Delusions of dieing,
Make sense in your head

But you're better than that,
You're better than that Tear out, Tear Out The web remain protects us
The both the muscle shelter
But it's our blood that mends us
It's our blood that mends us The web remain protects us
The both the muscle shelter
But it's our blood that mends us
It's our blood that mends us
