

# Do It Again

## Stroke 9

You're instantly awake in my imagination  
Old-fashioned infatuation  
I can be anything that you want me to be  
And you can have me in every position that you dreamed I know you've got a wild streak  
You're a freak  
You're alone  
In your bed  
With graphic images in your head Let me do what I want to do with you  
Let me tie you down, pick you up  
And flip you all around  
Let me tell you how sexy you are  
As I'm goin' down on you in the car  
If feelin' this good is a sin  
Let's do it all over again  
Do it all over again  
Do it  
Just when I thought this might get boring  
Wake me up in the morning by pouring  
Honey on my body and licking it off  
You're taking me to concerts  
And you're taking off your top I know you've got a wild streak  
You're a freak  
Then you're back in our room  
With a bride and a groom Let me do what I want to do with you  
Let me tie you down, pick you up  
And flip you all around  
Let me tell you how sexy you are  
As I'm goin' down on you in the car  
If feelin' this good is a sin  
Let's do it all over again  
Do it all over again  
Do it  
Well, this is it  
This is great  
This is what I always wanted  
Where do we go from here?  
That's the question of the year  
I think you're fine  
I think you're hot  
This is what I always dreamed of  
The one thing I forgot  
Was to get to know you You're instantly awake in my imagination

Old-fashioned infatuation  
I can be anything that you want me to be  
And you can have me in every position that you dreamed I know you've got a wild streak  
You're a freak  
You're alone  
In your bed  
With graphic images in your head Let me do what I want to do with you  
Let me tie you down, pick you up  
And flip you all around  
Let me tell you how sexy you are  
As I'm goin' down on you in the car  
If feelin' this good is a sin  
Let's do it all over again
