## YoungBoy Never Broke Again

Mmm, mmm

Yeah, mmm

Oh yeah

As I ride on the city lights

I wonder who gon' ride for me if it go down

And I start to get this feeling like

Who gon' be there for my sons the day that I'm not around?

I hope you love me as much as I love you

I ain't mean to break your heart, but baby, that's what thugs do

Nothing in the world, baby I wouldn't do for you

If I die right now it's so much that I would lose

I'ma tell you now I always be there for you

If it go down now, I know Baby Joe gon' shoot

If you go broke now they ain't gon' do shit for you

Can't give up now, nigga this the life I choose Back in 8th grade, I swear I ain't have a thing baby

Since I got money I swear it ain't been the same baby

Got money in my pocket, diamonds in my chain baby

I won't ever hurt again I made through the rain baby

Before the fame, I was strapped up on Valley Park with a Glock

I was sellin' them rocks these police stay watchin' steady passing by the block

I created that gang, forever I bang, nigga I'll never stop

I stay in my lane, I'm never gon' change, nigga playing he get popped

I told him record me, I go safari, diamonds wetter than some water

Hellcat not a Charger, way faster than a 'Rari (skrt)

I'm turning up in the party, celebrating all the shit that I did

I told my momma I'm a gangster I'll never change the way that I live

Back in 8th grade, I swear I ain't have a thing baby

Since I got money I swear it ain't been the same baby

Got money in my pocket, diamonds in my chain baby

I won't ever hurt again I made through the rain baby

I hope you love me as much as I love you

I ain't mean to break your heart, but baby, that's what thugs do

Nothing in the world, baby I wouldn't do for you

If I die right now, it's so much that I would lose

That I would lose

Ahh ahh ahhh (Ahh)

My voice messed up right now

Mmm

Ahh baby

Out the blue I do some magic like I be Houdini

My diamonds wet they Aquafina like they made in Fiji

I get that act, I crack the seal, and pour it in some Fiji

I cop a 'vette, I drop my top, and ask you "Did you see me?"  
Gone off that molly I'm zooted and booted  
Got snake on my collar I tell you it's Gucci  
I swear that I'm bout it, you play I'ma shoot it  
I'm a 38 baby I swear that I'm ruthless  
Walkin' on stage I'm strapped with a toolie  
Long clips nigga I shoot a movie  
I know you notice how we come through and do it  
Eviction notice, nigga, bet that you moving  
Red dot and head shots for who wanna do me  
Homicides, mommas cry, it ain't nothing to it  
I tote them choppas, when we slide, you know I'ma shoot it  
So many times I could've died, but you niggas blew it (slatt)  
Back in 8th grade, I swear I ain't have a thing baby  
Since I got money I swear it ain't been the same baby  
Got money in my pocket, diamonds in my chain baby  
I won't ever hurt again I made through the rain baby  
I hope you love me as much as I love you  
I ain't mean to break your heart, but baby, that's what thugs do  
Nothing in the world, baby I wouldn't do for you  
If I die right now, it's so much that I would lose  
I would lose  
Yeah  
Youngboy
