

Nobody To Love

Sigma

I know you're tired of loving
Just grab somebody, no leaving

No!

I know you're tired of loving, of loving With nobody to love, nobody, nobody

So just grab somebody, no leaving this party

With nobody to love, nobody, nobody

I know you're tired of loving, of loving

With nobody to love, nobody, nobody So just grab somebody, no leaving this party

With nobody to love, nobody, nobody

I know, i know you're tired of loving

Just grab somebody, no leaving

No!

With nobody to love, nobody, nobody

Just grab somebody, no leaving this party

With nobody to love, nobody, nobody

I know you're tired of loving, of loving

With nobody to love, nobody, nobody

So just grab somebody, no leaving this party

With nobody to love, nobody, nobody

I know you're tired of loving, of loving

With nobody to love, nobody, nobody

So just grab somebody, no leaving this party

With nobody to love, nobody, nobody
