

# Make It Sweet

## Old Dominion

[Verse 1]

I know it's a drag, I know it's a grind  
I know that a dollar ain't worth a dime  
Just trying to keep up with the Joneses  
At the end of the block  
I know you get tired, I know you get down  
I know you get sick of this soul sucking town  
Let's make a little lemonade if lemons is all we got [Chorus]  
'Cause I'm stuck on you, you're stuck on me  
I never gotta wonder where my honey be  
I ain't saving all my sugar for a Saturday night  
Seven days a week I got an appetite  
Sunsets like a tangerine, let's find a road we've never seen  
Don't waste another mile or a minute not kissing me  
Life is short, make it sweet

[Verse 2]

Open sky, glimpse of heaven, take the top off the CJ-7  
Let that surfside San Anne wind mess up your hair  
And let that windshield frame the ocean  
Radio keep coast-to-coasting  
If we don't get where we're going baby I don't care  
I'm already there [Chorus]  
'Cause I'm stuck on you, you're stuck on me  
I never gotta wonder where my honey be  
I ain't saving all my sugar for a Saturday night  
Seven days a week I got an appetite  
Sunsets like a tangerine, let's find a road we've never seen  
Don't waste another mile or a minute not kissing me  
Life is short, make it sweet

[Bridge]

Days will be long but the years will fly right by  
We'll never be as young as we are tonight  
Baby ain't that right, yeah [Chorus]  
'Cause I'm stuck on you, you're stuck on me  
I never gotta wonder where my honey be  
I ain't saving all my sugar for a Saturday night  
Seven days a week I got an appetite  
Sunsets like a tangerine, let's find a road we've never seen  
Don't waste another mile or a minute not kissing me  
Life is short, make it sweet  
Life is short, make it sweet

Oh yeah
