

# Million Man March (feat. Mai Khalil)

## Lowkey

You might take my life  
But you can't take my soul  
You can't take my soul  
You might take my freedom  
But you can't take my soul  
You can't take my soul Whether it's a cancer patient or assassination  
Or I fought for emancipation  
My intentions were pure, you can debate 'em  
But no, never ever shook hands with Satan  
My fans are amazing, I thank and praise 'em  
When I die, don't cry, just congratulations  
A million more feet will stamp the pavement with plans of changes,  
no exaggeration  
We will not be ignored  
You'll be rocked with the force of the bombs that you  
dropped in these wars  
I will not be bought  
And I consciously thought it was wrong, so I constantly fought  
Peace is something I would really adore  
But we are at war so give me a sword  
I'm merely a corpse, but still be assured  
When you kill me there will be a million more  
Born alone and die alone  
Those words ringin' inside my dome  
Best friends are the pen and the microphone  
Roamin' until I find my way home  
Turn my body cold but my soul is mine  
Take a deep breath and I close my eyes  
I will go when I'm supposed to die  
But in death I will multiply My back's against the wall  
But you can't kill us all  
Even if you take my life  
Still we will survive  
We shall overcome  
And the tables will turn  
Today I die as one, but as millions I'll return  
But as millions I'll return  
But as millions I'll return  
In these critical times don't be really surprised  
If I get victimised by Gideon's spies  
I sympathise with that Brazilian guy  
On the tube, but we're used to the hideous lie

Your civilians die - millions cry  
Our civilians die - they're militants, right?  
How silly am I to be figuring why  
The injustice is clear, and I feel it inside  
Hear me in Gaza, here me in Glasgow  
Hear me in Baghdad, hear me in Plaistow  
Clearly they hear me from here to Chicago  
Think things are all good but they aren't though  
Peace is something I would really adore  
But we are at war so give me a sword  
I'm merely a corpse, but still be assured  
When you kill me there will be a million more  
Born alone and die alone  
Those words ringin' inside my dome  
Best friends are the pen and the microphone  
Roamin' until I find my way home  
Turn my body cold but my soul is mine  
Take a deep breath and I close my eyes  
I will go when I'm supposed to die  
But in death I will multiply  
My back's against the wall  
But you can't kill us all  
Even if you take my life  
Still we will survive  
We shall overcome  
And the tables will turn  
Today I die as one, but as millions I'll return  
But as millions I'll return  
But as millions I'll return  
My people are bleedin'  
So I'm readin' and seekin' the deepest of meanin's  
My demons are breedin'  
In my sleep I can feel it, I need to defeat 'em  
My temperature's risin'  
If tempted I'll rise with the temper of Tyson  
Resent all the violence  
Cause of people with tension  
It tends to divide them  
The pen that I write with  
Is better than a sword when I strike with the strength of a Titan  
My friends are still fighting against all the tyrants  
So then why would it end when I die then?  
Peace is something I would really adore  
But we are at war my pen's killing your sword  
I'm merely a corpse, but still be assured  
When you kill me there will be a million more  
Born alone and die alone  
Those words ringin' inside my dome  
Best friends are the pen and the microphone  
Roamin' until I find my way home  
Turn my body cold but my soul is mine  
Take a deep breath and I close my eyes  
I will go when I'm supposed to die

But in death I will multiply  
My back's against the wall  
But you can't kill us all  
Even if you take my life  
Still we will survive  
We shall overcome  
And the tables will turn  
Today I die as one, but as millions I'll return  
But as millions I'll return  
But as millions I'll return  
You might take my life  
But you can't take my soul  
You can't take my soul  
You might take my freedom  
But you can't take my soul  
You can't take my soul  
You might take my life  
But you can't take my soul  
You can't take my soul  
You might take my freedom  
But you can't take my soul  
You can't take my soul
