

# Angela

## John Lennon & Yoko Ono

Sister, there's a wind that never dies  
Sister, we're breathing together  
Sister, our love and hopes forever keep on moving oh so slowly in the world  
They gave you sunshine  
They gave you sea  
They gave you everything but the jailhouse key  
They gave you coffee  
They gave you tea  
They gave you everything but equality  
Angela, can you hear the earth is turning?  
Angela, the world watches you  
Angela, you soon will be returning to your sisters and brothers in the world  
Sister, you're still a people teacher  
Sister, your word reaches far  
Sister, there's a million different races but we all share the same future in the world  
They gave you sunshine  
They gave you sea  
They gave you everything but the jailhouse key  
They gave you coffee  
They gave you tea  
They gave you everything but equality  
Angela, they put you in prison  
Angela, they shot down your man  
Angela, you're one of the millions of political prisoners in the world
