

I Am the Cosmos

Pete Yorn & Scarlett Johansson

Every night i tell myself
"i am the cosmos
I am the wind"
But that don't get you back again
Just when i was starting to feel okay
You're on the phone
I never wanna be alone
Never wanna be alone
I hate to have to take you home
Wanted too much to say no no
Yeah yeah yeah
Yeah yeah yeah
Never wanna be alone
I hate to have to take you home
Want you too much to say no no
Yeah yeah yeah
Yeah yeah yeah
My feeling's always happening
Something i couldn't hide
I can't confide
Don't know what's going on inside
So every night i tell myself
"i am the cosmos
I am the wind"
But that don't get you back again
I'd really like to see you again
I really wanna see you again
I'd really like to see you again
I really wanna see you again
I'd really like to see you again
I really wanna see you again
I never wanna see you again
Really wanna see you again
