

Big Syke Interlude

2Pac

Thug Life
Microphone Check
Outlaw
Microphone Check
Where you bitch niggaz coming from?
You don't know?
Look like you a seed, from Makaveli the Don
I can hear your style
You sound like Makaveli the Don, Tupac, my nigga
So much trouble in the world nigga
These niggas can't feel you
Thug Life
Outlaw
Forever
All you bitch niggas
The hardest nigga, to ever touch this microphone
Got you bitch niggas trailin' his tail
I don't know if you'll catch up
But yet and still
You trying nigga
Keep trying nigga
Thug Life
Outlaw
Forever nigga
Eternity
Infinity
So Remember
Makaveli the Don
Cause thuglife, lives on
