

# There's Only One

Graham Nash

We can heed the call  
We can trip and fall  
We can read the scrawl  
On the garden wall  
Let the ashes fall  
Upon us all  
Or not at all  
It's in us all Can we say it's cool  
From a heated pool  
When we give a jewel  
To a starving fool  
And if we can't be cruel  
Then let us take the tool  
And change the rule, change the rule  
When we've all begun  
To see the world we're on  
Don't you see there's only one  
Then we all begin  
To see the skin we're in  
It's just the same  
There's only one  
There's only one  
Do we have the grace  
To begin the race  
In another place  
Face to face  
Do we stand the pace  
Or do we let the case  
Go to waste, go to waste, go to waste Do you like the taste
