

Love Me Like Liquor (feat. Lori McKenna)

The Cadillac Three

Kiss me like whiskey,
Burn me up and get me drunk.
I want more than just tipsy yeah.
Fill my glass, fill my cup.
Love Me Like Liquor.
Touch me like tequila.
Fallin' down on some beach.
Well all I can think of,
Is give me, give me one more drink.
Love Me Like Liquor babe, mess me up.
I need 120 proof of your love,
Talkin' knock down spinnin',
Black-out grinnin',
Drown me, yeah drown me.
I want to shoot you straight, no chaser.
Feel you in the morning then a little later.
Do it all again, empty bottles all around me.
Love Me Like Liquor.
Bite me like brandy,
Kill me with your sweet.
Like 'at devils candy,
I'm Adam baby you're Eve.
Love Me Like Liquor, babe, mess me up.
I need 120 proof of your love
Talkin ' knock down spinnin',
Black-out grinnin',
Drown me, yeah drown me.
I want to shoot you straight, no chaser.
Feel you in the morning then a little later.
Do it all again, empty bottles all around me.
Love Me Like Liquor.
(Ohhhhh)
(Alright)
(Ohhhhh)
Yeah Love Me Like Liquor.
(Ohhhhh)
(Alright)

Burn me up and get me drunk.
