

# Have You Forgotten?

Darryl Worley

(Darryl Worley/Wynn Varble) I hear people saying we don't need this war  
I say there's some things worth fighting for  
What about our freedom and this piece of ground  
We didn't get to keep 'em by backing down  
They say we don't realize the mess we're getting in  
Before you start your preaching let me ask you this my friend Have you forgotten how it felt  
that day?  
To see your homeland under fire  
And her people blown away  
Have you forgotten when those towers fell?  
We had neighbors still inside going thru a living hell  
And you say we shouldn't worry 'bout bin Laden  
Have you forgotten?  
They took all the footage off my T.V.  
Said it's too disturbing for you and me  
It'll just breed anger that's what the experts say  
If it was up to me I'd show it everyday  
Some say this country's just out looking for a fight  
After 9/11 man I'd have to say that's right Have you forgotten how it felt that day?  
To see your homeland under fire  
And her people blown away  
Have you forgotten when those towers fell?  
We had neighbors still inside going thru a living hell  
And you say we shouldn't worry 'bout bin Laden  
Have you forgotten? I've been there with the soldiers  
Who've gone away to war  
And you can bet that they remember  
Just what they're fighting for  
Have you forgotten how it felt that day?  
To see your homeland under fire  
And her people blown away  
Have you forgotten when those towers fell?  
We had neighbors still inside going thru a living hell  
And you say we shouldn't worry 'bout bin Laden  
Have you forgotten? Have you forgotten all the people killed?  
Some went down like heros in that Pennsylvania field  
Have you forgotten about our Pentagon?  
All the loved ones that we lost and those left to carry on  
Don't you tell me not to worry about bin Laden  
Have you forgotten? Have you forgotten?  
Have you forgotten?
