

# Start a Fire

John Legend

I don't know why I keep moving my body  
I don't know if this is wrong or if it's right  
I don't know if there's a beat, or something's taking over me  
And I just know I'll feel so good tonight I don't know what your name is but I like it  
I've been thinking 'bout some things I wanna try  
I don't know what you came to do, but I wanna do it with you  
And I just know I'll feel so good tonight Oh, if we keep on dancing  
Take our rhythm to new heights  
Feel the heat of passion, baby  
Light up the night  
We could start a fire  
Come on, let it burn baby  
We could start a fire  
Let the tables turn baby  
We could start a fire I just know I feel so good  
Don't you know I feel so good  
I just know I feel so good  
Tonight I don't care if this turns into a riot  
Let's get reckless, tear this place down to the floor  
Turn the music way up loud  
Can't nobody stop us now  
I just know I feel so good tonight  
I just know I feel so good tonight  
We could start a fire  
Come on, let it burn baby  
We could start a fire  
Let the tables turn baby  
We could start a fire I just know I feel so good  
Don't you know I feel so good  
Don't you know, don't you know?  
Tonight
