

It's Christmas

Ashanti

When the family's here
We're all filled with cheer
'Cause it's time to bring
Home a Christmas tree again We're gonna celebrate
As we decorate
Watch the children play
Making snowmen riding on the sleigh It's Christmas, Christmas
Yea, it's Christmas, Christmas
It's Christmas, Christmas
Yea, it's Christmas, Christmas It's that time of year
That we love to give
The lights are shining bright
'Cause it's Christmas time
Hot chocolate and candy canes
Carolers in the street
No place that I'd rather be
Than home for the holiday It's Christmas, Christmas
Yea, it's Christmas, Christmas (it's that time of year)
It's Christmas, Christmas
Yea, it's Christmas, Christmas So there's nowhere else I'd rather be
Than right here with my family
I'm thankful I have someone to love
So I'm grateful oh because It's Christmas, Christmas
Yea, it's Christmas, Christmas (it's that time of year)
It's Christmas, Christmas
Yea, it's Christmas, Christmas (my favorite time of year)
It's Christmas, Christmas
Yea, it's Christmas, Christmas
It's Christmas, Christmas
Yea, it's Christmas, Christmas
