Yeah! Yeah! Yeah!
Remix! Remix!
KB, R&B
Look, JH, YJ
We here, why play?
You know I talk talk talk that sh-
Look, one thing about it, you don't want that
Let's go! Say I understand the best thing in the world
Try my best to understand this baby girl
I'm a G and I always will be
And I'm a thug it out until the hood's out, kill me
Y'all kill me, I got it like I ain't him
That's like baby brother act it like it ain't slim
Trap girl can't deny that he ain't slim
Try to touch these girls but he ain't him
And I love my hood, watch me hit it up
And they love what I do, watch me switch it up
Yeah you trippin', what you thinking?
Must be drinking, what you drinking?
CTE's what I'm claiming
I'm so hood I ain't explaining
I'm so hood I ain't explaining
Plug my album, I'm just playing
The Recession, I'm just saying
All that singing, what you saying?
I'm just saying, why you playing?
While I'm playing, hope you're praying
You probably miss your blessing, be back stressed
Doing all that collumn, all that text
You done bump your head, lost your mind
Since you in my spotlight, baby, go and get shined
Yeah!
Are you a man who loves, and cherishes, and cares for me?
Is that you? Is that you? Is that you? Yeah...
Are you a guard in a prison, maximum security?
Is that you? Is that you? Is that you? Yeah...
Do we stay home all the time, cause you want me to yourself?
Is that you? Is that you? Is that you? Yeah...
Or am I locked away, out of fear that I'd find someone else?
Is that you? Is that you? Yeah Well, I don't like, living under your spotlight
Just because you think, I might find somebody worthy
Oh, I don't like, living under your spotlight

Maybe, if you treat me right, you won't have to worry
Is this a relationship, fulfilling your needs, as well as mine?
Is that you? Is that you? Is that you? Yeah...
Or is this just my sentence, am I doing time?
Is that you? Is that you? Is that you? Yeah...
If this is love, real, real love, then I'm staying no doubt
Is that you? Is that you? Is that you? Yeah...
But if I'm just love prisoner, then I'm busting out
Is that you? Is that you? Yeah... Well, I don't like, living under your spotlight
Just because you think, I might find somebody worthy
Oh, I don't like, living under your spotlight
Maybe, if you treat me right, you won't have to worry Oh, you oughta be, ashamed of yourself
What the hell, do you think you're doing?
Loving me, loving me so wrong
Baby, all I do is try
To show you, that you're my
One and only guy
No matter, who may come along
Open your eyes, cause baby, I don't lie Yeah! Yeah! Yeah!
Remix! Remix!
Yeah Yeah Yeah!
Look, JH, YJ Well, I don't like, living under your spotlight
Just because you think, I might find somebody worthy
Oh, I don't like, living under your spotlight
Maybe, if you treat me right, you won't have to worry Well, I don't like, living under your
spotlight
Just because you think, I might find somebody worthy
Oh, I don't like, living under your spotlight
Maybe, if you treat me right, you won't have to worry I don't like...
