

# Edge of a Dream (Theme from "Teachers")

Joe Cocker

If tommorow never comes  
Would ya still belong to me  
Guess i've always known it was meant to be  
We took a second chance on love and it carried us away  
Now it's gettin' stronger day by day  
The closer it gets the further it seems  
It's always one step out of reach  
On the edge of a dream  
You know you are  
On the edge of a dream  
You know you are  
We've been waitin' for this chance to be free  
On the edge of a dream  
You know you are  
And if nothing ever changed  
Would you feel the same way too  
You know i'll always be there for you  
Cos they say the strong survive  
And we've nearly made it thru  
Now we'll soon be seein our dreams come true  
The harder it gets the harder you fall  
It never turns out like it seems  
On the edge of a dream  
You know you are  
On the edge of a dream  
You know you are  
We've been waitin' for this chance to be free  
On the edge of a dream  
You know you are  
Movin' in and out of lov  
Ya can't say we never tried  
I knew that you believed in me  
I can see it in your eyes  
On the edge of a dream  
On the edge of a dream  
On the edge of a dream  
Dream on lover  
On the edge of a dream  
You know you are  
On the edge of a dream  
You know you are  
You know you are
