

# Remember December

## Demi Lovato

I feel a separation coming on  
Cause i know that you want  
To be moving on  
I wish it would snow tonight  
You pull me in and avoid a fight  
Cause I feelA separation coming on  
Just prove that there is nothing left to try  
It's the truth  
I rather we just both deny  
You kiss me with those open eyes  
It says so much  
It's no surprise to you  
But I've got something left to say  
Don't surrender, surrender, surrender  
Please remember, remember December  
We were so in love back then  
Now your listening  
To what they say  
Don't go that way  
Remember, remember, December  
Please rememberDon't surrender  
You said you wouldn't let them change your mind  
Cause when we're here fire melts ice  
Our hearts are both on overdrive  
Come with me let's run tonight don't let  
These memories you left behind  
Don't surrender, surrender, surrender  
Please remember, remember, December  
We were so in love back then  
Now your listening  
To what they say  
Don't go that way  
Remember, remember, DecemberPlease remember  
I remember us together  
We both promised that forever  
We could do this  
Fight the pressurePlease remember December  
Don't surrender  
Don't surrender, surrender, surrender  
Please remember, remember, December  
We were so in love back then  
Now your listening

To what they say  
Don't go that way  
Remember, remember, December  
Please remember  
Don't surrender
