

# You Got It

## VEDO

Oh, no, no It's Vedo baby I can't lie, I can tell you're a jaded baby wipe your eyes  
Don't let him see that he got the best of you  
Girl I'll take the rest of you  
Look, I gotta question for you  
Is it worth it? Real love, do you think you deserve it?  
Cut him off go and find your purpose  
And get you a nigga that's solid personally I'll do more than to support your dreams  
Baby get you a me It's time to boss up  
Fix ya credit, girl get at it  
Get ya bag up  
Hit that gym and get back fine  
Go get that degree, go girl  
Focus on me  
Unlock potential that you didn't know you had in you  
Fuck that nigga (Ay!) Oh yea, it's time to mix it up and get ya glow girl  
I know that you gon' get it, you got so much  
Don't let nobody tell you that's it's over  
I want you to know that girl  
You got it, you got it  
Oh yeah, yeah, yeah  
You got it, you got it  
Oh yeah yeah yeah Yea, you my lil' baby  
I'm gon make it known  
Let that nigga hate girl  
What is he gon' do  
Get back your honor  
It's cool I know you stayed down  
Girl fuck that drama  
If it ain't bout dat money bounce  
You know you the shit  
I don't even gotta say yay  
I know you gon win shawty You just gotta play yay  
Girl I'm gon 'let you know you got it  
Every chance that I get don't you doubt it  
No I'm not perfect but I promise I'm worth it  
Girl you know you deserve it, stop playing It's time to boss up  
Fix ya credit, girl get at it Get ya bag up  
Hit that gym and get back fine  
Go get that degree, go girl  
Focus on me  
Unlock potential that you didn't know you had in you  
Fuck that nigga (Ay!) Oh yea, it's time to mix it up

And get ya glow girl  
I know that you gon' get it  
You got so much  
Don't let nobody tell you that's it's over  
I want you to know that girl  
You got it, (Yeah) you got it (Oh yeah) Oh yeah yeah yeah  
You got it, you got it (Right now)  
Oh yeah, yeah, yeah (Talk yo shit)  
Yea, ya my lil' baby  
I'm gon make it known (I'm gon make it known)  
Let that nigga hate girl  
What is he go' do Oh yeah  
It's time to mix it up  
And get ya glow girl  
I know that you gon get it  
You got so much  
Don't let let nobody tell you that's it's over  
I want you to know that girl  
You got it
