

# Sullen Girl

Fiona Apple

Days like this, I don't know what to do with myself  
all day -- and all night

I wander the halls along the walls and under my  
breath

I say to myself

I need fuel -- to take flight

Chorus:  
And there's too much going on  
but it's calm under the waves, in the blue of my  
oblivion

Under the waves in the blue of my oblivion  
Is that why they call me a sullen girl -- sullen  
girl

They don't know I used to sail the deep and tranquil  
sea

But he washed me shore and he took my pearl --  
and left an empty shell of me

Chorus (1x)  
Under the waves in the blue of my oblivion  
It's calm under the waves in the blue of my oblivion
