

# All Time Low

Jon Bellion

I, was the knight in shining armor in your movie  
Would put your lips on mine and love the after taste

Now

I'm a ghost I call your name  
You look right through me  
You're the reason I'm alone and masturbate

I

I've been trying to fix fix my pride  
But that shits broken  
That shits broken

Lie

Lie Lie Lie

I try to hide but now you know it  
That I'm at an All Time Low  
Low Low Low(Repeat)

I

Was the prototype  
Like three stacks on the CD  
An example of the perfect candidate

Now

All your girlfriends say that you don't want to see me  
You're the reason  
That I just can't concentrate

I

I've been trying to fix fix my pride  
But that shits broken  
That shits broken

Lie

Lie Lie Lie

I try to hide but now you know it  
That I'm at an All Time Low  
Low Low Low(Repeat)

I

I've been trying to fix fix my pride  
But that shits broken  
That shits broken

Lie

Lie Lie Lie

I try to hide but now you know it  
That I'm at an All Time Low  
Low Low Low(Repeat)

Lie Lie Lie

I try to hide but now you know it  
That I'm at an All Time  
Hey!  
Low Low Low  
Low Low Low  
Low Low Low  
Low Low Low
