

Sarah Wynn

Alien Ant Farm

remember when we were young?
we'd smoke cigarettes behind the store
 pimpin beers for fun
 back then i loved you
making you almost cry under the louisiana sky
 never thought you'd fly
 we all miss you
what the hell were you thinking of?
 i cant help you now, sarah
what the hell were you shooting up?
 now youre coming down, sarah
 i know its been sometime,
but now youre back ill try to help
 it seems like wasted time,
cause you can only help yourself
 a calm and collectied mind
i talked to your parents yesterday
 it seems theyre doing fine
 theyre worried about you
what the hell were you thinking of?
 i cant help you now sarah
what the hell were you shooting up?
 now youre coming down sarah
 (habits are hard to break,
i dont know how much i can take from you
 i guess that ill never relate
i dont know what to make of you...
 make of you, make of you
 were worried about you)
what the hell were you thinking of?
 i cant help you now, sarah
what the hell were you shooting up?
 now youre coming down sarah...
what the hell were you thinking? (ehoes)
 SARAH...
