

Neon Eyes

Eric Zayne

I save my lovin' for the weekend
When the all the freaks come out to play
Late in the night I'm catching feelings
But with the sun they go away I can't help myself
I wanna lose myself
Neon Eyes
I got Neon Eyes
I can't help myself
I wanna lose myself
Neon Eyes
I got Neon Eyes
Down goes the moon and then I'm creepin'
Cause all my shadows stay up late
I'm so addicted to them pretty things
I wanna know just how they're made I can't help myself
I wanna lose myself
Neon Eyes
I got Neon Eyes
I can't help myself
I wanna lose myself
Neon Eyes
I got Neon Eyes Guitar Solo I've been dancing with monsters in my head
I don't ever want to go to bed
I'm a creature of the night
With monsters in my head
I got monsters in my head
I can't help myself
I wanna lose myself
Neon Eyes
I got Neon Eyes
I can't help myself
I wanna lose myself
Neon Eyes
I got Neon Eyes I've been dancing with monsters in my head
I don't ever want to go to bed
I'm a creature of the night
With monsters in my head
I got monsters in my head I can't help myself
I wanna lose myself
Neon Eyes
I got Neon Eyes
I can't help myself

I wanna lose myself
Neon Eyes
I got Neon Eyes
